

DURAPAD

RUBBER PADS

Durapad rubber pads are made from high quality materials for optimum bonding, wear resistance & durability, Porter Parts stock an extensive range of Durapads to suit most excavators ranging 1~15ton with larger pads available upon request.

- Quick and easy to install for use on all surfaces that require minimal track damage and easily removed when operating on surfaces where steel is preferred.
- Over 15,000 pads sold in the New Zealand market - tried and tested in New Zealand conditions.
- Porter Parts offer overnight delivery to most parts of the country with a full 1,000 hour / 1 year warranty.
